## IPL URANO HD SUPER

### IPL Urano HD Super Flexible Ducting / Flexible Hose

IPL Urano HD Super is a blue PVC-P hose with a red completely anti abrasive TPU tube reinforced with an anti-shock rigid PVC spiral. The inside surface is smooth with the outside semi rigid. Very strong with a TPU inner layer of 2,2 mm. Excellent resistance to abrasion and vacuum, the best of its class. Upon request, it can be manufactured in the antistatic version with the brass steel wire inside the plastic wall, to better meet the abrasion resistance requirements even on the external surface.

**Application Fields:** Suction and discharge of abrasives (slurry, sand, cement, grains, gravel) in buildings and industry in general.

- **Temp Range:** -25 to +60°C
- **Size Range:** 63 - 152mm
- **Material:** PVC with TPU liner
- **Reinforced:** PVC spiral
